PROFESSIONAL SUMMARY

As an aspiring web developer, I am passionate about creating attractive and interactive websites that meet customer needs and exceed expectations. I have a strong foundation in HTML, CSS, JavaScript, and server/database development, and am committed to continuous learning and development in this rapidly-evolving field.

In addition, I bring over 11 years of experience in the hospitality industry, where I have demonstrated professional growth by starting in entry-level positions and advancing to desired roles through hard work and dedication. I excel in working collaboratively with others and am skilled in problem-solving and providing exceptional customer service.

I am eager to apply my skills and experience to a web development role where I can contribute to a team and help create meaningful products that make a positive impact.
